

Kindergarten Parent Newsletter I.I

In Kindergarten, we have words called “popcorn” words that your child will be learning to read. We recommend that parents work with their children at home on these words as well. For now, we will have two new word wall words every two weeks.

Of course, Kindergarteners are learning to name all the letters of the alphabet. With the program we are teaching this year, we will introduce all the letters within the first few weeks of school. After all the letters have been introduced, we will work with your child on learning each letter more thoroughly. Here are the “popcorn” words and letters for this week so you can help your child at home.

Popcorn Words: I, am

Letters: Aa, Bb, Cc, Dd, Ee
